AT A GLANCE

- Woodward Fridays continue through November
- Ullr Fest - November 2, Noon to 6 p.m. Tahoe Valley Campground - We need your help!
- Send in photos and videos of your kiddos!
- SEF Registration remains open

Woodward Fridays!

Off-season aerial training on trampolines and ramps

We continue to offer off-season dryland aerial training at Boreal Woodward on Fridays from 6 p.m. to 8 p.m. until Thanksgiving. Any athlete looking to improve their grabs, 3's, 7's, flips, and corks would benefit from this training. You can register here: Woodward Fridays registration. Please keep in mind that we need at least 5 athletes to register for any given Friday training in order to make the training a go. And we need to let our coaches know by the Wednesday before each Friday whether the training is happening and how many coaches we will need. If you register for a Friday training and we don't have enough athletes registered by the Wednesday before we will cancel the training and issue refunds to those who have already paid.

South Lake Tahoe Ullr Fest

Mark your calendars – November 2, Noon to 6 p.m., Tahoe Valley Campground

WE NEED YOUR HELP!!! There are numerous ways to help with ULLR Fest - we'll need MULTIPLE volunteers to (1) staff our beer garden, (2) staff the shot ski event, (3) staff the silent auction, (4) staff the family ski swap, and (5) staff our booth selling smore's kits and hot chocolate bombs. We'll be sending out a sign-up genius within the next two weeks specifying the number of volunteers needed for each position and the hours we'd need worked. You can also contribute by donating or coordination the donation of a high-value item for our silent auction, or selling your old gear at our family ski swap. In the meantime, feel free to share your ideas for contributions via email at info@sierraeducationalfoundation.org and watch out for the sign-up genius link to volunteer. Please remember, we cannot make this fundraiser a success

without YOUR help! And we need this fundraiser to be a success to we can continue to provide scholarships and free or low-cost education and training opportunities to our kiddos. Also buy your shot ski ticket here: $10 Shot Ski Ticket

SEF Athlete Movie - Ullr Fest

We'll be playing a movie on loop of our athletes – send us photos and videos of your kiddos to be included!

One of the highlights to our Ullr Fest is sure to be our showing of a movie featuring our own SEF athletes! We'll be running it on loop for much of the event, but we need your help to make it happen!

Please send us any photos or videos you have from the last two or three seasons of your athlete skiing or snowboarding! You can send them to photos@sierraeducationalfoundation.org before October 20 and then we'll create the film using some local help! If you have any interest in helping create this movie please let us know.

SEF Membership - Register Now

Register your athlete to receive all the benefits of membership – including our SEF branded member only sweatshirts!

We depend in large part on member dues to achieve our mission of educating and supporting Sierra at Tahoe youth ski and snowboard athletes registered with a Sierra Teams program. We believe that every Sierra Teams youth athlete deserves the opportunity to pursue their passion and achieve their full potential, regardless of their economic or social circumstances. For that to happen, though, we need your support. Each season we ask that athletes registered with a Sierra Teams program become a dues paying member of our foundation. Members of the Rippers program are asked to annually pay $50 dues, members of a Development Team are asked to pay $75 dues, and members of a Competition Team are asked to pay $100 dues. And, as an added convenience, you can now register and pay your dues here: Membership Registration.
