Have any fundraiser ideas?

We are always looking for fun new ways to raise money to support our mission!

- It takes a village and A LOT of help to keep our foundation running. In order for us to ensure that every Sierra Teams youth athlete has the opportunity to pursue their passion and achieve their full potential regardless of their economic or social circumstances, we need your help.
- Our Board is an ALL VOLUNTEER team, made up of snow sport parents and community members who are dedicated to SEF's mission. But the foundation won't be sustainable without your help and successful fundraisers each year.
- If you have any ideas for new or fun fundraising events, let us know. Hit us up at info@sierraeducationalfoundation.org with your ideas. We love to try to make it happen!
- Speaking of fundraisers - mark your calendars for our second annual South Lake Tahoe ULLR Fest. Saturday, November 15, 2025 at the Tahoe Valley Campground. Join us for a family friendly celebration of winter's arrival and help us beat Breckenridge and Park City by setting the new record for the longest shot ski!
